We are hiring talent in all major cities in the United States. We check new applications once a month. If we are interested, we will contact you.

DO NOT CONTACT US regarding the status of your application.

- If you have a criminal background, we aren't interested.
- If you are violent in any way, we aren't interested.
- If you are rude or harass us about hiring you, we will block you and record your communication as evidence.
- All prank or threatening calls are recorded, as well as blocked numbers and IP addresses. We know how to find you and can take legal action so don't risk it.

Only professionals need apply with us. Thank you!
